KHSC Introduces its New Hungarian Language Instructor

We are pleased to introduce **Katalin Seres**, KHSC's new teacher at the Language Program of the Kossuth House.

Her extensive teaching experience and knowledge of and love for Hungarian culture will be a valuable asset to KHSC its students. We welcome her and looking forward to passing on our cultural heritage and widening the network of "Friends of Hungary" with her contribution to KHSC's work and mission.

Kata graduated from the *Kőrösi Csoma Sándor Teacher Training College*, Békéscsaba, Hungary, in 1997. Following her studies and upon moving to Budapest, she was offered positions as English teacher with the *Australian Center for Education*, *Danubius Language School*, and *King Language Academy*. During these two years, she had the opportunity to teach students at all levels in various classroom settings, ranging from one-on-one sessions to groups as large as 16.

She moved to the United States in 1999. Presently she is employed as Hungarian instructor by *Comprehensive Language Center* and by *InLingua*. During her position with the *Diplomatic Language Services* she prepared diplomats and military personnel to be posted in Hungary.

Her *'ars poetica'* on Hungarian teaching upon joining the KHSC Language Program: "I find teaching Hungarian more challenging and therefore more rewarding and enjoyable than teaching English. I'm also happy to be able to pass on the knowledge of my mother tongue and the love I have for Hungarian culture to my students. I feel very fortunate to have this opportunity to teach at the Kossuth House."

We are glad to have a committed professional join our team.
